Re: Request for Certificate of Correction

Consideration has been given your request for the issuance of a certificate of correction for the above-identified patent under the provisions of Rules 1.322.

A petition under C.F.R. 1.182 is required to correct errors in spelling or order of inventors names, since inventor's names are printed solely in accordance with the type-written names, and in the order of the type-written names on the Declaration, and since the error was the result of applicant's failure to comply with the requirement that the complete and correct names in correct order be indicated on the Declaration of Oath, no correction is in order here under the provisions of Rules 1.323, unless a petition is granted.

In view of the foregoing, your request in this matter is hereby denied.
